## Peak Advising Time

Your pre-health advisor is available to discuss your academic plans, preparation, and competitiveness for health professions graduate programs.

	If you have prehealth questions March 21 through April 15th:
First-Year A&S Major Prehealth Student	Should have received emails from your advisor about advising options. Check your campus email inbox for instructions.
First-Year Non-A&S Major Prehealth Student	<b>Meet with your major advisor FIRST.</b> Come to virtual on-call or in-person drop-in advising Monday-Thursday to meet with a prehealth advisor.
Upper Classmen (If this is your 2 <sup>nd</sup> through 4 <sup>th</sup> year at UA)	<b>Meet with your major advisor FIRST.</b> Come to virtual on-call or in-person drop-in advising Monday-Thursday to meet with a prehealth advisor.

### Who is my Pre-Health Advisor?

A—F  
Ms. Lanna Johnson

G—L  
Mrs. Eve Machado

M—S  
Mrs. Latandra Smith

T—Z  
Mrs. Marian Denham

OHPA will continue to offer On Call Advising via zoom on Monday and Thursday afternoons from 1:00 p.m. to 3:15 p.m. and Drop In Advising in 200 Clark Hall on Tuesday and Wednesday afternoons, from 1:00 p.m. to 3:15 p.m. On Call and Drop In Advising is available to pre-health students with quick questions and who need help with time sensitive issues. For more information, please visit <https://as.ua.edu/student-services/make-an-appointment/>.

For first-year A&S pre-health students Express Advising will be available on March 24<sup>th</sup> and April 15<sup>th</sup> from 1:00 p.m. to 3:00 p.m. in the Camellia Room in Gorgas Library (2nd floor). Please arrive prepared with courses you would like to register for. Express Advising is for quick pin-clear. If you have additional questions, please schedule an appointment.

## Announcements & Important Dates

- **UA-AAA Outstanding Commitment to Advising Award** Can you think of an advisor at the University of Alabama who has made a special effort to help you navigate the University, the curriculum, your major, helped you understand academic policies, or let you know where to go to get more specialized help? Advisors all over campus do these things, and you can help this person receive recognition. Please take a few minutes to nominate an advisor and tell us how this person has made a difference in your UA experience. Nominate an advisor for the Outstanding Commitment to Advising Award as soon as possible, but no later than **March 20, 2022**. Nominations are accepted by UA students, faculty, staff, and alumni. Nominations may be submitted at: [https://universityofalabama.az1.qualtrics.com/jfe/form/SV\\_a2yEtchsiFLXygS](https://universityofalabama.az1.qualtrics.com/jfe/form/SV_a2yEtchsiFLXygS)
- **Summer Undergraduate Research Experience** UA REU in Interdisciplinary Convergence to Advance the Biotechnological & Bioscience Workforce is organized by the Departments of Chemical and Biological Engineering and Chemistry & Biochemistry. This program spans 10 weeks and offers opportunities for up to 10 students from UA and other institutions across the nation. Available research projects train students on research techniques and tools in the biotechnology and bioscience fields. Application deadline date is April 1<sup>st</sup>. Tentative program dates are May 22<sup>nd</sup>—July 15<sup>th</sup>. Visit <http://reu.eng.ua.edu/programs/interdisciplinary-convergence-advance-biotechnological-bioscience-workforce/> for more information and to apply.
- **2022 UA Undergraduate Research & Creative Activity Conference (URCA)** will be held on April 4<sup>th</sup> at the Bryant Conference Center. For more information visit <http://ovpred.ua.edu/urca/>.
- Samford University College of Health Sciences will host an Open House for students interested in pursuing a Nurse Anesthesia on March 31st at 4:00 p.m. For more information and to register, please visit <https://www.samford.edu/healthsciences/open-house-events>
